Research excellence in the areas of Cellular Biochemistry, Structural Biology and Gene Expression

Welcome to the Department of Biochemistry and Molecular Biology

Welcome to the Department of Biochemistry and Molecular Biology at Colorado State University. Our faculty are highly qualified and excited about the possibilities that the field of biochemistry offers.

We support quality research programs in the areas of Cellular Biochemistry, Structural Biology and Gene Expression. We also pursue excellence in teaching at the undergraduate and graduate levels.

To learn more about us, please explore our web site, contact us, or visit us in Fort Collins, Colorado.
